Session wrap-up:

Hi Rutger,

Happy to help you out with your slidedeck. The take aways of this meeting: Be superspecific on what you ask from investors non-financial-wise and make sure your figures are right. Be realistic and ambitious! Good luck on the meeting with investors!

Expertise 9/10

Advice 10/10

Value 9/10

Teun is a really helpful guy with a massive network in the (Dutch) investor climate and a great business feeling. He will tell you what you can improve in your slide deck, when to reach out to investors and how to do it! If you've got a startup, book Teun!
